## A Rising Sun

### Workshop Description

In this teacher workshop we will provide primary sources to help you teach from the Revolutionary War to the New Nation. The voices of soldiers, framers, and politicians during this period will bring this history to your students. The main focus will be the development of the Constitution. We will learn why, in 1787, Dr. Benjamin Rush said, “The American War is over but this is far from the case with the American revolution. On the contrary nothing but the first act of the great drama is closed...”
